Quotation

REF: ATEPL/0302/2026-2027

Date: 16.06.2026

Dear Customer,

We thank you very much for the kind courtesy extended **Mr. B. Chatterjee** during the telephonic conversation. As discussed, we are glad to extend our quotation for **Portable Multi Gas detector Model :ATS 103M**.

Please find enclosed the following:-

- Introduction
- Techno-Commercial Offer
- Product Catalogue

We have reviewed your requirement and we trust that our offer meet your technical specifications, we are waiting for your approval and look forward to a long and successful association with your Organization.

We use emerging technologies and customized cutting edge solutions to best fit the instrument to the application. With qualified and experienced electronics and instrumentation engineers we are committed to R&D and innovation in our products to cater to the clients need.

Products	Clients	Applications
GAS Detectors	Process Industries	Ambient Air Pollution Monitoring
GAS Analyzers	Chemical & Pharmaceutical	Industrial Hygiene & Safety
Flue/Stack Gas Analyser	Power Plants	Stack Emission/ Source Emission
Dust Particulate Monitors	Petrochemical and Oil industries	Quality Control
Opacity Monitors	Oil & Gas	Research and Development
Dew Point/ Moisture Analyzer	Defense Laboratories	Flame/ Fire/ Smoke Detection
Dust Guard	Transport & Retail Industries	Moisture/ Dew-Point & Velocity
Solid Flow / Broken Bag Detectors	Original Equipment Manufacturer	Process Analysis
Energy Monitoring System	Telecom Industries	
Web Data Acquisition Systems	Healthcare Industries	

May you need any additional information or clarifications, please feel free to contact us. Thanking you in anticipation.

Regards,
Applied Techno Engineers Pvt Ltd.
